PETITION UNDER 37 C.F.R. § 1.181 AND REQUEST FOR RECONSIDERATION
OF PETITION UNDER 37 C.F.R. § 1.182

Sir:

It is respectfully requested that the indication of dismissal of the Petition Under 37 C.F.R. § 1.182 set forth in the decision dated September 13, 2005 be reconsidered in the above-referenced patent application.

Applicants received a Notice to File Missing Parts of Nonprovisional Application dated March 4, 2002 which required the submission of an executed Declaration. On April 9, 2002, Applicants' representative facsimile transmitted a Transmittal Letter, along with a fully executed Declaration (37 C.F.R. § 1.63) and Power of Attorney form and copy of the Notice to File Missing Parts of Nonprovisional Application, to the Patent Office in the subject application, a copy of which

is attached hereto. Also attached is a copy of the facsimile copy page and the facsimile transaction report evidencing receipt of the documents by the Patent Office.

Applicants respectfully assert that the subject application did not become abandoned on May 5, 2002 and request that the Petition Under 37 C.F.R. § 1.182 be granted in view of Applicants' timely submission of the executed declaration.

Applicants believe that no fees are due in connection with filing this Petition. However, should the Patent Office determine that fees are due, the Commissioner is authorized to charge any fees to Deposit Account No. 19-0065.

Respectfully submitted,

Jenna M. Morrison
